Why Choose Fruit Growers News?

Fruit Growers News is the #1 B2B media brand in the U.S. reaching your customers and industry influencers. Our team of editors are thought leaders and information providers for fruit growers, packers/shippers, researchers, crop consultants and associations. Fruit Growers News has the strongest presence in the industry with its print magazine and dominant digital footprint, providing the most in-depth coverage that emphasizes timeliness, quality, accuracy, readability and respect. Content is focused on the leading-edge topics, developments and value-added content that drive the fruit industry.

Audited circulation¹ consisting of:

- Growers
- Packers/Shippers
- Crop Consultants
- Pest Control Advisors
- Processors
- Extension Educators
- Government Agencies
- Agriculture Associations
- Researchers
- Suppliers/Equipment
